

## **MEETING ATTENDANCE: TRACK & TRACE POLICY**

**During the continuing Covid situation, the society has decided to implement the following track & trace policy to cover indoor meetings at St. Bartholomew's Church Hall.**

**This will consist of a sheet of paper at the entrance to the hall, where members and visitors must record their attendance.**

**This will be retained for a maximum of four weeks.**

**Should one of those attendees prove to have a positive test result, the people attending will be informed.**

**Any government guidance changes will override this policy.**
