DATA PROTECTION

The SECURE CARS database holds personal information for the Society to provide support for its members.

We use the information to contact you about the various Society and Amateur Radio events, information of interest to members of the Society.

We are legally bound by the General Data Protection Regulations to ensure that any data held on individuals is relevant, accurate and not excessive. Additionally, it must be fairly and lawfully processed, held for defined purposes, be accurate and up to date, not kept for longer than necessary, processed in line with your rights and must be secure. We will ensure that all data held on our encrypted database is treated in accordance with these principles.

Please rest assured that we will not be passing on or misusing any personal data to a third party, we merely need your formal agreement for us to use your data to establish routine correspondence.

To opt out at any time, please email our secretary John CARS Hon. Sec (john@g8seq.com) with your request.
